BVL

The Bowlers To Veterans Link

The Bowlers to Veterans Link (BVL) is a national nonprofit charitable organization which raises about \$1 million annually to fund a variety of recreational equipment and therapeutic supplies for America's veterans.

BVL's reach is wide and deep:

Through BVL, veterans recuperating in all 172 VA hospitals are provided with reading materials, arts and crafts kits or access to recreational music or sports activities to help them pass the time and, studies show, speed their recovery.

For the many Vietnam and Desert Storm Vets affected with Post Traumatic Stress Disorder, BVL supports group recreational activities such as trips to ball games, bowling outings and much more at the nation's 206 Veterans Outreach Centers.

A growing number of our World War II veterans in their later years are suffering the often-lonely days of long-term care. Thanks to BVL, these forgotten heroes can enjoy billiards, cards and bingo or even spend their days fishing, bowling or gardening through programs at State Veteran Homes throughout the country.

To achieve this goal of reaching out to every veteran in need, BVL provides cash grants to VA Hospitals, Vet Centers and State Homes as well as coordinates several national programs. These programs include tours of the nationally acclaimed song and dance troupe "Re-Creation" at VA facilities across the country, traveling bowling clinics with a focus on special adaptive bowling techniques for disabled veterans, and a national VA Bowling Tournament held annually. Additionally, BVL has been a long time sponsor of the four major veterans recreation events each year – the Golden Age Games, the Winter Sports Clinic, the Creative Arts Festival and the Wheelchair Games.

Since 1950, the California BVL fund has donated over \$8 million dollars to our veterans. With donations to California Military Hospitals, VA Medical Centers, Outreach Centers and California Veteran's Homes we have provided items for rehabilitation therapy, recreation items, Outbound programs and items to enhance the environment. Many of these items never make the government priority lists and, for bowlers, BVL – The California Bowler's BVL Fund, has become a mission. The California USBC Association THANKS all of you on behalf of the Veterans of California.

The San Diego USBC Association THANKS all of the San Diego bowlers for their generous contributions of \$8,800. This is the greatest amount from our bowlers in our history! This amount averages out to approximately \$1.25 per bowler in the greater San Diego area.

Ladies Bowl Club A Fun Way To Bowl!

MYTH: A foul is committed any time a bowler crosses the foul line.
BUSTED: A delivery takes place when a ball is released into fair territory, according to Rule 4a. Crossing the indefinite line including walls, flooring, posts and ball returns before a bowler is in position for the next delivery constitutes a foul. Conversely, a bowler who never releases the ball does not commit a foul. For example, if during the delivery, the bowler loses balance and steps into the lane but does not release the ball, no foul has been committed.

MYTH: USBC Rules are only guidelines.
BUSTED: USBC Rules define the game. Rules 1 through 18 of the General Playing Rules have no options and cannot be changed by a league or tournament. However, there are

MYTH : League rules supersede USBC rules.
BUSTED: USBC rules are the foundation of the game of American Ten pins. Leagues may adopt rules as long as they do not conflict with USBC rules. Many USBC rules allow leagues to adopt options and in this instance adopted league rules would take precedence; otherwise, USBC rules are the default. The USBC General Playing Rules (Rules 1-18) are examples of rules that relate to the basics of the game and cannot be changed. many USBC League Rules and Tournament Rules that allow changes. Rule 100a allows leagues to adopt league rules that do not conflict with USBC Rules.

The Bowlers Prayer

Oh Lord, please let me roll a game,
So well that even, I,
When telling of it afterwards,
Will never need to Lie.

Help my ball roll straight and true.
A strike that's swift and firm.
Keep me from those deadly splits,
That'll make the competition
squirm.

Protect me from the gutter ball
Assist me on the lane,
Endow me with the 'perfect' groove
To roll a perfect game.

Above all Lord, this pleasure is
A Thing I'd like to share,
So when you grant my wish
Be sure my friends are there!

MYTH The option that gets the most votes wins.

PLAUSIBLE: A majority is defined as one more than half of the votes cast. All decisions must receive a majority vote, unless otherwise stated in USBC Rules. A majority vote will always receive the most votes but the option/motion that receives the most votes does not always receive a majority. Motions normally are a yeah or nay vote but still require a majority to be obtained. If a motion receives a tie vote for yes and no, the motion dies, because no majority was obtained.

When three or more options are presented to the league to vote on, it is possible that the option with the most votes will not receive a majority. Common examples where this is possible include prize fund adoption and election of officers. When no majority is reached in this situation the option receiving the least votes is dropped and voting continues.

MYTH A quorum is one more than half.

PLAUSIBLE: For every meeting except the organizational meeting, a quorum is defined as one more than half of the appropriate voting body. For the organizational meeting a quorum is defined by those present.

MYTH The length of the league schedule is dictated by the bowling center.

PLAUSIBLE: The length of the league schedule is negotiated and contracted with the center by the league officers. Ultimately the center will decide how many weeks a league will bowl. If the league is interested in bowling fewer weeks, the league officers can use lineage rate or league perks as bargaining chips to negotiate a shortened schedule. For example: The league wants to shorten the season by four weeks. The officers could offer to pay an increase in lineage to at least cover the lineage the center would have received for the four weeks. Remember the center also loses income associated with bowling (food and beverages) when the league does not bowl, so you may need to increase your increased lineage offer or suggest eliminating center

New awards for 2012-2013

Let your bowlers know USBC Special Achievement awards for this year have changed from magnets to bag tags, and the 11-in-a-Row Award is now a trophy. USBC members get more in return with Member Rewards. Don't forget to tell your bowlers about USBC's Member Rewards program. USBC Member Rewards partners have stepped up to support the sport of bowling and all USBC members. Visit BOWL.com/MemberRewards and find out how you can get more from your membership. You, too, can become a Certified League Officer. A benefit of USBC membership is the new League Officer Training program. USBC now has training for league secretaries and treasurers, and soon will have training for league presidents. There is a minimal fee, but the fee covers training for all offices.
