BVL Information

The Bowlers to Veterans Link (BVL) is a national nonprofit charitable organization which raises about \$1 million annually to fund a variety of recreational equipment and therapeutic supplies for America's veterans.

BVL's reach is wide and deep: Through BVL, veterans recuperating in all 172 VA hospitals are provided with reading materials, arts and crafts kits or access to recreational music or sports activities to help them pass the time and, studies show, speed their recovery.

For the many Vietnam and Desert Storm Vets affected with Post Traumatic Stress Disorder, BVL supports group recreational activities such as trips to ball games, bowling outings and much more at the nation's 206 Veterans Outreach Centers.

A growing number of our World War II veterans in their later years are suffering the often-lonely days of long-term care. Thanks to BVL, these forgotten heroes can enjoy billiards, cards and bingo or even spend their days fishing, bowling or gardening through programs at State Veteran Homes throughout the country.

To achieve this goal of reaching out to every veteran in need, BVL provides cash grants to VA Hospitals, Vet Centers and State Homes as well as coordinates several national programs. These programs include tours of the nationally acclaimed song and dance troupe "Re-Creation" at VA facilities across the country, traveling bowling clinics with a focus on special adaptive bowling techniques for disabled veterans, and a national VA Bowling Tournament held annually. Additionally, BVL has been a long time sponsor of the four major veterans recreation events each year – the Golden Age Games, the Winter Sports Clinic, the Creative Arts Festival and the Wheelchair Games.

Since 1950, the California BVL fund has donated over \$8 million dollars to our veterans. With donations to California Military Hospitals, VA Medical Centers, Outreach Centers and California Veteran's Homes we have provided items for rehabilitation therapy, recreation items, Outbound programs and items to enhance the environment. Many of these items never make the government priority lists and, for bowlers, BVL – The California Bowler's BVL Fund, has become a mission. The California USBC Association THANKS all of you on behalf of the Veterans of California.

The San Diego USBC Association THANKS all of the San Diego bowlers for their generous contributions of \$10,606.62. This is the greatest amount from our bowlers in our history! This amount averages out to approximately \$2.12 per bowler in the greater San Diego area.

Bowling History

Bowling is a great sport that has a long and full history. Today, bowling is one of the most popular sports in the world and is the most participated recreational sport played in the United States.

Evidence of bowling in the past Bowling can be traced back as far as 3200 BC. A crude form of the game was believed to have existed when a collection of objects was discovered within an Egyptian boy's grave sometime during the 1930's by Sir Flinders Petrie. There is even strong evidence that a form of bowling was even popular in England in 1366. It was so popular, in fact, it is rumored that King Edward III outlawed the game because his troops were neglecting their archery practice in order to bowl.

Evolution of the game The game of bowling that we play today was not always played with 10 pins. It actually started as a nine pin game and played all throughout Europe. One very unique variation of the game of bowling is still being played in Edinburgh. The player takes a ball without holes and heaves it at the pins from between his legs which results in the player landing on his stomach.

The very first bowling location was more than likely in New York and was played more like lawn bowling. That area has since gone through changes and is now in the heart of the financial district and the small area where the game was played is now called Bowling Green.

As the game of bowling was becoming more popular in America it was drawing negative attention. In 1841 Connecticut law makers made it illegal to run any nine pin lanes. This was due to the level of gambling that was becoming associated with the game. This law was quickly circumvented by adding an addition pin which paved the way for today's 10 pin game.

The game of bowling today In the late 1800's, it was evident just how popular bowling was becoming when many states were participating in the game. From New York to as far west as Illinois, people were getting into the game. The lack of official rules and regulations lead to each region creating it's own details for how the game should be played. Variations included ball weight and pin dimensions.

All that changed when a restaurateur named Joe Thum got representatives from various bowling clubs all over the country and formed the American Bowling Congress on September 9th in 1895. The ABC would establish a standard for all bowling in America and would organize national competitions. The American Bowling Congress continues its role today and is at the heart of bowling in America but is now known as the United States Bowling Congress or USBC.

USBC Rule 12

Approaches Must Not Be Defaced The application of any foreign substance on any part of the approach that detracts from the possibility of other players having normal conditions is prohibited. This includes, but is not limited to, talcum powder, pumice and resin on shoes, and/or soft rubber soles or heels that rub off on the approach. Commonly Asked Question – Rule 12. 12/1 One of the bowlers is having a difficult time sliding on the approach and applies a commercial product purchased at the center pro shop to the bottom of his/her shoes. The product is designed to help a bowler slide. The secretary says she has received a complaint from the opposing team and notifies the individual to stop using the substance or the game will be forfeited. Can an officer tell a bowler to stop using the substance and declare the game forfeited? Commercial products, talcum powder or any substance applied to the shoe or approach could be in violation of Rule 12. If a league participant uses a substance and somebody complains that it prohibits him/her from having normal conditions, the league officer should require the individual to immediately stop his/her action. If the individual refuses, his/her games are subject to forfeiture.

THE BOWLERS PRAYER

*Oh Lord, please let me roll a game,
So well that even, I,
When telling of it afterwards,
Will never need to Lie.*

*Help my ball roll straight and true.
A strike that's swift and firm.
Keep me from those deadly splits,
That'll make the competition squirm.*

*Protect me from the gutter ball
Assist me on the lane,
Endow me with the "perfect" groove
To roll a perfect game.*

*Above all Lord, this pleasure is
A Thing I'd like to share,
So when you grant my wish
Be sure my friends are there!*
