Bring the Whole Family!

With Sincere Appreciation

Some people have skills and talents that no one ever knew they had.

One day, Tom was at the office watching me make an ad for the Average Book. He offered to help me with the ad and that was the beginning of us working together on the Average Book, Flyers for Tournaments, & any other printing that needed graphics that he could help with. Everything he worked-on always looked very neat and professional. I will miss his help & talent and I'm sure the board will as well.

Thank you Tom for your helping hand, I will miss your expertise.

Rule 105/1

What is the difference between absentee & vacancy?

As defined in Rule 105, Item e, an absentee score is used when a regular member is absent and a substitute is not available. Unless otherwise provided by league rule, the absentee score for each game shall be the member's current average less 10 pins, and in handicap leagues, the handicap is based on the member's current average.

According to Rule 105, Item d, a vacancy score shall be 120 unless otherwise provided by the league rules. In handicap leagues, handicap for vacancy scores is calculated using the same handicap percentage the league utilizes for its regular members unless the league rules state otherwise. For Example, if the league's regular handicap is 90% of 230, vacancy scores must be calculated on the same basis unless the league rules state otherwise.

Rule 105/2

If a rostered bowler is absent the first night of bowling, is an absentee or vacancy scored used?

An absentee score is used unless otherwise provided by league rules or past precedent established in the league. If there is a question as to whether the absent individual is a member of the team's roster, the league board of directors decides the matter.

The Bowlers Prayer

*Oh Lord, please let me roll a game,
So well that even, I, When telling of
it afterwards,
Will never need to Lie.*

*Help my ball roll straight and true.
A strike that's swift and firm.
Keep me from those deadly splits,
That'll make the competition squirm.*

*Protect me from the gutter ball,
Assist me on the lane, Endow me with
the 'perfect' groove,
To roll a perfect game.*

*Above all Lord, this pleasure is
A Thing I'd like to share, so when
you grant my wish, be sure my
friends are there!*

HISTORY

Myth Busters

Myth: League rules supersede USBC rules

Busted: USBC rules are the foundation of the game of American Tenpins. Leagues may adopt rules, as long as they do not conflict with USBC rules. Many USBC rules allow leagues to adopt options and in this instance, adopted league rules would take precedence; otherwise, USBC rules are the default. The USBC General Playing Rules (rules 1-18) are examples of rules that relate to the basics of the game and cannot be changed.

Myth: Extra bowlers on the roster are substitutes.

Busted: A roster is comprised of regular members of a team. Extra bowlers on the roster are additional regular players. Substitutes, even assigned substitutes should not be listed on the roster.

Etiquette Information

A few simple guidelines to help make your bowling experience more pleasurable.

- Be ready to bowl when the pins are set, but wait until the pin setting machine has completed its cycle and the sweep bar is raised, to make your delivery.
- Observe one-lane courtesy. The bowler on the right should bowl if both reach the approach at the same time. Stay off the approach while you wait.
- Taking too long to aim, or get set-up when you are on the approach, delays the game.
- Try to remain in your approach area while delivering the ball.
- Step off the approach once you have delivered the ball.
- Good bowling requires concentration. Have fun, but keep in mind, excessive movement, or noise, could be distracting when others are up to bowl.
- Excessive “lofting” hurts your game and damages the lane.
- Get permission to use another player’s ball.
- Refrain from using abusive language or obscene gestures.
- Play the game to win, but be a gracious loser. Good sportsmanship is always the key to a successful game.
- Wet shoes are a safety hazard. Watch where you are walking.

USBC Rule 12

– Approaches Must Not Be Defaced The application of any foreign substance on any part of the approach that detracts from the possibility of other players having normal conditions is prohibited. This includes, but is not limited to, talcum powder, pumice and resin on shoes, and/or soft rubber soles or heels that rub off on the approach. Commonly Asked Question – Rule 12. 12/1 One of the bowlers is having a difficult time sliding on the approach and applies a commercial product purchased at the center pro shop to the bottom of his/her shoes. The product is designed to help a bowler slide. The secretary says she has received a complaint from the opposing team and notifies the individual to stop using the substance or the game will be forfeited. Can an officer tell a bowler to stop using the substance and declare the game forfeited? Commercial products, talcum powder or any substance applied to the shoe or approach could be in violation of Rule 12. If a league participant uses a substance and somebody complains that it prohibits him/her from having normal conditions, the league officer should require the individual to immediately stop his/her action. If the individual refuses, his/her games are subject to forfeiture.
