

TEEN GIRL SHOOTS 800 AT CALIFORNIA STATE YOUTH TOURNAMENT

On the third weekend of competition for the 2006 California State Youth Tournament, Jaime Ferry of Cerritos was on fire in the team event at Admiral Robinson Recreation Center onboard the San Diego Naval Station.

Bowling with the Cerritos Slammers, of the Southeast District YABA, Jaime, opened with a 268 game, followed with a 264, and then rolled another 268 game for an even 800 series! Wouldn't a 268 triplicate have been something!

Jaime, 16, has a 175 average and bowls at Cerritos Lanes in Cerritos. Her Dad, Tom Ferry is her coach and chauffer to various tournaments throughout Southern California. Her Grandfather is a Pearl Harbor Survivor and also served in San Diego during his naval career.

The California State Youth Tournament continues for the next three weekends at both Admiral Robinson Recreation Center and Kearny Mesa Bowl. Come out and support the youth bowlers. The latest standings can be found at www.CaliforniaYouthBowling.com or from the links page at www.sandiegobowling.com
